

Aero 2100 Palm-Size PC

(Presario 210 Palm-Size PC in Japan)

The Compaq Aero 2100 is covered by a One-Year Limited Worldwide Warranty, which includes parts and labor. In North America, EMEA and Japan, the Aero 2100 is covered by a Mail-In Warranty. Should an Aero 2100 require repair during the warranty period, call Compaq Technical Support. A technical support specialist will help diagnose the problem. If needed, the customer will be directed where to mail the unit for service. Carry-In Warranty is not available in North America, Europe or Japan.

In Latin America, Greater China and Asia/Pacific, the Aero 2100 is covered by a One-Year Limited Carry-In Warranty. The warranty covers parts and labor only.

Since Warranty delivery differs based on geographic region, contact the local Compaq Customer Support organization for information on coverage specific to a particular region.
