² Refer to "Language Extensions" table (next page) for -xx1 specifics.

³ Presario 500/700/900 machines need to have at least MediaPilot 1.5 for their telephony software to operate properly. Please see Service Advisory 831 for upgrade information.

Windows 95 Minimum ROM-Revisions

Support Software

Support Software CD: Compaq Computer Corporation now offers *Support Software CDs for Compaq Portables, Desktops, Workstations, and Server Products* available in compact disk along with support from the Compaq Worldwide Web (WWW) site (www.compaq.com). The Support Software CDs and WEB contain the latest device drivers, utilities, flashable ROM images and more and are categorized by operating system, family and model for easy retrieval.

The Support Software CD and WWW site benefit customers by:

- Easing the transition to new operating systems or OS revisions
- By increasing PC performance, compatibility, and reliability.

The *Support Software CD Products* can be purchased either as a single CD-ROM, providing one-time as-needed access to the current support software, or as an annual subscription that delivers up to twelve monthly CD-ROMs, providing continuous, proactive access to the latest developments.

To order the *Support Software CD Products*, contact an Authorized Compaq Reseller, or call the Compaq Order Center at 1-800-952-7689.

Support Software CD	Subscription Part Number
CD for Compaq Desktops - Single Copy	272505-001
CD for Compaq Desktops - Annual Subscription	183426-XXX
CD for Compaq Servers - Annual Subscription	181966-XXX

To have an order form and additional information faxed to you, call Compaq Customer Service at 1-800-345-1518 and select option 1 for PaqFax. Request PaqFax Document Number 1233 for Servers and PaqFax Document Number 1234 for Desktops.

Real-time updates are available from Compaq Online (www.compaq.com) and monthly updates are delivered on the *Support Software CD Products*.
