

iPAQ BlackBerry W1000

The Compaq iPAQ BlackBerry W1000 is covered by a One-Year Limited North America Warranty, which includes parts and labor. The W1000 is covered by an Advance Exchange Warranty. Should a W1000 require repair during the warranty period, call Compaq Technical Support. A Technical Support Specialist will help diagnose the problem. If needed, Compaq will ship the customer a replacement part. Carry-In Warranty is not available in North America.
