

# T1000/T1010 and T1500/T1510

These products are covered by a 3-Year Limited Worldwide Warranty, which includes parts and labor.

In North America, the warranty is delivered by Mail-In Warranty. Should the product require repair during the warranty period, call Compaq Technical Support; a technical support specialist will help diagnose the problem. If needed, the customer will be directed where to mail the unit for service. Carry-In Warranty is not available in North America.

In all other geographic regions, the warranty is delivered by Carry-In Warranty. Since Warranty delivery may differ based on geographic region, contact the local Compaq Customer Support organization for information on coverage specific to a particular region.
